

Permission for Videotaping and Photographing 2022-2023 School Year

Videotaping

Students at the Trellis School are frequently videotaped during services and assessments. These tapes are used for:

- a) Staff Training - examples of specific techniques, such as prompting or examples of specific concepts, such as joint attention
- b) Supervision and goal development in our early intervention program.

- I give permission for my child _____ to be videotaped for these purposes. (please print)
- I do not give permission for my child to be videotaped.

Parent/Guardian (please print) Date

Signature

- In addition, I give my permission for any portion of the tape to be used in the development of training programs and seminars for training outside of Trellis staff. This may include a web-based training course.

Parent/Guardian (please print) Date

Photographing

- I give permission for any photographs of my child to be used in advertising or promotions and to be used for educational purposes
- I give permission for photographs of my child to only be used for educational purposes, such as groups, goals focused on the identification of self or peers, or art projects.
- I do not give permission for my child to be photographed.
